

Jennifer Dunn
Board Member, Treasurer

As avid outdoors people, my husband and I were drawn to Lummi Island because of its natural beauty and special geographic location. We have learned to appreciate it even more because of its community and land stewardship, the center of which is the Lummi Island Heritage Trust. So it was

a pleasure being asked to serve on the board and be part of helping to build what is an integral part of protecting Lummi Island.

I received a BA in Accounting and went on to work for 22 years in the finance profession with the last 10 years in executive level financial management roles at mid-size food production companies. As a board member with LIHT, I look forward to sharing the skills developed over my career.
