

Peter Hodges,
Board Member

I have a Bachelor of Arts degree in English. Most of my career has been involved in the practice of Land Surveying, licensed in New Hampshire and Washington State. For the last 12 years I have taught college level Surveying and Mapping courses with an emphasis on Environmental Mapping and Boundary Law. I have been president of the

Northwest Chapter of the Land Surveyors of Washington and the Education Chairman of The Washington Department of Resources Land Survey Advisory Board. Lummi Island has been my home for eighteen years and I have served as a committee member on four Lummi Island Heritage Trust committees as well as two sub committees.
